Dear Mr. Yeo

Re: Skills CFA Support for the Edexcel BTEC Level 5 HND Diploma in Business

Skills CFA, the UK Government recognised standard setting organisation for business skills, has reviewed the Edexcel BTEC Level 5 HND Diploma in Business against its National Occupational Standards for Business Administration and Management & Leadership and recognise that the content of the BTEC Level 5 HND Diploma in Business reflects the content of the appropriate National Occupational Standards. As such, we are happy to support the Edexcel BTEC Level 5 HND Diploma in Business as a qualification that meets the needs of employers, as identified by Skills CFA.

Yours sincerely
