

Updated Financial and Quantitative Suite

Move
to the latest
Finance
specification
with
confidence

We have updated our suite of financial and quantitative qualifications - available for first teaching from September 2015. Our vocational qualifications equip learners with the knowledge, understanding and skills needed for employment within the financial and quantitative sector.

The first assessment for the updated qualifications will be in June 2016.

To learn more about these qualifications, please visit:

Why offer these qualifications at your centre?

- There are small bite-sized vocational qualifications that can be studied part-time, alongside other qualifications or full-time work or via distance learning.
- Each qualification has been mapped to the International Accounting Standards (IAS), making the qualifications globally relevant.
- They are 100% externally assessed, via an exam set and marked by Pearson, so you can be confident in the standard of the qualification.
- There are numerous assessment opportunities throughout the year (usually either 4 or 8 series windows).
- The new qualifications are Ofqual-accredited and available in both the UK and internationally.
- Some of the Level 2, 3 and 4 titles have the added benefit of ACCA exemptions.
- UCAS points to be confirmed for Level 3 titles, to aid progression to Higher Education.

Support for your centre

A comprehensive range of resources are available to support you delivering the new qualifications, including the following.

Free resources

Specification

Mapping documents

Sample assessment material

Professional body exemption flyer

Teacher's Delivery Guide

Training events: online and face to face events
