

New LCCI UCAS Tariff Points for 2017

What is the new UCAS Tariff points system?

The UCAS Tariff is a means of allocating points to post-16 qualifications used for entry to Higher Education in the UK. From September 2017, UCAS is introducing a new Tariff Points system.

One of the main reasons for the new Tariff Point is to ensure that more vocational and non-traditional qualifications attract UCAS Tariff points, to support fairer access to higher education.

If you are interested in more information about the new UCAS Tariff points please visit <https://www.ucas.com/ucas/undergraduate/getting-started/entry-requirements/tariff>

- Pearson LCCI Level 3 Certificate in Cost and Management Accounting (VRQ)
