About Pearson

Pearson is the world's leading learning company. Our education business combines 150 years of experience in publishing with the latest learning technology and online support.

We provide education and assessment services in more than 70 countries. Our courses and resources are available in print, online and through multi-lingual packages, helping people learn whatever, wherever and however they choose. Products such as MyLabs are changing education practice worldwide.

In Hong Kong and Macau, Pearson is the leader in all education sectors, ranging from pre-school, primary, secondary and higher education through to adult learning. You may be familiar with some of our products—*Longman Elect*, *Longman Dictionary of Contemporary English*, among others.

At Pearson, we take learning personally. Every day our work helps learning flourish, and wherever learning flourishes, so do people.
